#### NARRATIVE

On 12/5/15 at approximately 1530 hours, Ofc. Sampaio and I were dispatched to [REDACTED] St. at [REDACTED] Inn for a dispute. Upon arrival, I spoke with Amrish [REDACTED] (D.O.B. [REDACTED]) who stated that she had people staying in room [REDACTED] who had been there for approximately one week. [REDACTED] stated that they didn't pay for the room tonight and he wanted them to leave. [REDACTED] told me that each day they began paying later and later and he told them they need to pay by 11:00A.M. [REDACTED] also stated that they were acting strange and talking in a strange manner.

Ofc. Sampaio and I were walking towards the rented room when we were met in the parking lot by Rodney [REDACTED] (D.O.B. [REDACTED]) who began talking about the FBI and DEA. Rodney was rambling about bombs and guns not making any sense. I asked Rodney to walk back to room 134 with us which he did. The door was open and I observed a female who was sitting on the bed inside this room. She was later identified as Dorothy [REDACTED] (D.O.B. [REDACTED]).

I explained to Dorothy and Rodney that the manager wanted them to leave because they didn't pay for the night. Rodney continued rambling about guns and terrorists. I could smell a strong odor of an alcoholic beverage on Dorothy's breath. I could see that they had a large amount of personal property inside the room and I asked them to begin packing their stuff because they needed to leave. Rodney carried one bin of clothes down to the parking lot placed it down and walked off. I didn't see him again after this.

Dorothy stood in the doorway and began calling me a "piece of shit" and she hopes that someone puts a bullet in my head. Dorothy continued by saying, "fuck Muslims" and "I hope they all die". I continued telling Dorothy to pack her belongings and bring them outside. Dorothy was slowing bringing one item out at a time. I had LT. Ellsworth respond to the scene at this time.

Dorothy was piling her belongings up outside the door to the hotel room and this had been going on for approximately 30 minutes. LT. Ellsworth, Ofc. Sampaio and I put gloves on and began placing items in plastic bags assisting Dorothy with carrying the items into the hallway. Dorothy was asked to wait outside several times while we completed packing everything. Dorothy then called 911 from her cellphone while we were moving her items out. I told Dorothy not to do this again. Dispatch called me on the radio approximately five minutes later telling me that she called 911 a second time. We were able to get all of her belongings outside the room and I locked the door at this time. Dorothy continued yelling and swearing at us now outside of the room. I could see that other hotel guests had now come out of their rooms and were looking at us. Dorothy was told to call someone for a ride and to move her items once they arrived.

We left at this time and I parked across the street because I knew there was going to be a problem. I could see Dorothy walking towards the office so I drove back into the parking lot. I was approached by [REDACTED] at this time who stated that Dorothy had just yelled, "Fuck you Muslims, I hope you die." I observed Dorothy walking across the street to the Liquor store.

I drove across the street and placed Dorothy under arrest inside the store. Dorothy began yelling and refused to get into the rear of my cruiser. I had to ask her several times to sit down in the rear of my cruiser. Dorothy was just standing staring at me. I had to physically lift her up and get her into the back of my car.

I had Ofc. Sampaio take a sworn written statement from [REDACTED] while I transported Dorothy to H.Q.

[REDACTED] stated that at approximately 3:30P.M. she called the Police about a dispute over rent money with the tenants of room [REDACTED]. [REDACTED] stated that the Police left at approximately 4:40P.M. after trespassing Dorothy [REDACTED] and Rodney [REDACTED]. [REDACTED] stated she was walking towards the basement of the Inn and Dorothy was still standing on the 2nd floor balcony. Dorothy yelled, "Fuck this, Fuck you Muslim, I hope you die." [REDACTED] stated that he ignored her and continued walking. [REDACTED] stated that Dorothy was still yelling but she isn't sure what she was saying other than she was talking about Muslims in a derogatory way. Dorothy continued yelling as she left the property to the liquor store across the street. [REDACTED] stated that she flagged the police officer down at this time.

I arrived back at H.Q. with Dorothy and I had PSA Pradetto meet me in the sallyport. Dorothy refused to walk and we had to assist her in walking into the booking area. Once in the booking area, Dorothy continued with her Muslim remarks and that she hoped someone blew my head off. I had to hold Dorothy while PSA Pradetto searched her and removed the handcuffs. Dorothy was in the holding cell and began banging her head into the wall. I had to go into the cell to have her stop. Dorothy stated that she had to use the bathroom and we found her lying on the ground inside the booking room bathroom. I was able to talk Dorothy into getting fingerprinted and photographed because she wanted to make a phone call. Dorothy seemed to calm down now and we were able to complete the booking process.

Dorothy was charged with (53a-181) Breach of Peace, (53-180d) Misuse of 911 when she called a second time after being told not to and (53-37) Ridicule based on Race, Ethnicity or Creed. Dorothy is currently being held on a \$500 bond and was given a court date of 12/17/15.

[REDACTED] stated that she will leave Dorothy's items in the parking lot next to the building for a few days so she can pick up her belongings.
